

## **Feedback Report (2021-22)**

**"Good feedback comprises not just commentary about what has been done, but suggests for what has been done next." (Brown, 2007)**

Feedback plays a key role in holistic development of an institute as it is a method of collecting the true picture with analysis of appreciation and suggestions of the existing system. It is basically an information collected in indirect manner about how one is doing efforts to accomplish a goal. Keeping this in view, the college considers it as a necessary requirement to enhance the growth of all stake holders pacing with modern times. Thus, the college authorities pay special attention and emphasize to fulfill all suggestions collected through feedback from students as well as other stakeholders such as teachers, alumni and their employers.

### **Students' Feedback**

15 responses

On the question of **recruiting more of GCW students**, 20.5% agree strongly, 73.3% agree and 7% are neutral.

### Suggestions and Action Taken

Important suggestion from most of the employers was to modify the present curriculum to keep pace with the current required changes in career and placement in different spheres of workplace. As curriculum is designed by the university and our college is affiliated to Maharshi Dayanand University, so modifying it, is not in our hands. However, college authority will convey this suggestion to M.D.U for taking necessary steps in this direction.
