## REPORT OF MENTOR-MENTEE GROUPS

(2023-24)

A mentor is a person who plays a key role in a mentor-mentee relationship by providing time, focus, perspectives, and suggestions to a mentee in a setting where they have the assistance and resources, they need to nurture their societal, technological, and intellectual assets. There are separate tracks for science, arts, and commerce at our college. First year (all streams) and Second and Third year (all streams) classes made up the entirety of the UG (all faculties), PG, and Honours classes. Mentor groups met every first and third Saturday from 1 to 1:40 p.m.

All of the mentors in each class played the part of an active role in achieving objectives. For the mentees' overall growth, the mentor-mentee committee organized a variety of activities. They become more sensitive to social issues such as women's education, the dowry system, child labour, and awareness of human rights. Cultural events like Ras Manjari were organised in the college campus.

‘**Clean and Green campus**’ makes a sense of pride for every students and teacher. Each Mentor worked at their own level to maintain a clean college environment and to set good example to their students.

- Mentor encourages Mentees to use Dustbins for throwing garbage.
- Mentor encourages Mentees to reduce the amount of trash used, Plastic bottle, Poly-packs in daily life practices.
- Mentor encourages Mentees to adopt the habit of carrying a prefilled steel water bottle always with them.

A number of Volunteers from each stream (Arts, Science & Commerce) NSS students and NCC cadets participate in Cleanliness drive under “Swaccha Hi Seva Abhiyan’ on 2 October,2023. **Problems related to water and cleanliness were forwarded to institutional Head for further necessary action.**

They were also made aware of the importance for ecological sanitation and the preservation of the natural beauty of their surrounds and the college campus. These sessions also cover the crucial role of soft skills and linguistic proficiency. The Campus Mentoring Programme seeks to offer a complete support structure to engage and inspire students to pursue their academic and professional ambitions. As they excelled in their future aspirations and career, the students were given a platform for improved communication and engagement throughout these sessions.
