7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The women empowerment cell of the college aims to empower girl students by creating awareness about their rights and duties . GPGCW, Rohtak strives for the social, intellectual, economical , political and psychological upliftment of young girl students. "Earn While You Learn Scheme" and "Placement Cell" of the college work towards providing a congenial platform to the girl students for becoming economically independent, self- reliant and in having a positive self-esteem. Counselling cell provides psychological counselling to the girl students and gives them mental strength and also makes them firm, tough and hardworking.

The cultural committee facilitates the holistic development of students. Along with academics, they are encouraged to participate in various co-curricular activities so that they can rise above theoretical knowledge and be more evolved. The multifaceted activities address the inhibitions and stage fear of the students and encourage them to unleash their latent talent. Moreover, these activities build confidence, develop social skills, encourage team spirit and provide leadership growth. During this session, our cultural team participated in various events in and outside the campus and marked a niche in the history of the college by winning at National level and by performing excellently at international level.

GENDER SENSITIVITY

The need for gender sensitivity has been felt and realized through times immemorial and in almost all kinds of human existence, across the globe. But somehow in recent times, a much stronger need is felt and realised to talk and discuss about this sensitive topic both on a personal and professional front. It is felt that individuals need to be more open-minded, rational and unbiased in their thoughts and actions. There is an urgent need to shatter the load of our orthodox beliefs and biased values to accentuate the progressive existence of both the genders.

Govt. P.G.College for Women, Rohtak is committed to gender sensitization which is reflected in its gender sensitisation activities, held throughout the year. Women Studies and Development cell, Grievances and Redressal Cell, Anti Ragging Committee, Counselling Cell, Mentor-Mentee Committee, NSS, NCC, Legal Literacy Cell, Youth Red Cross, Placement Cell, Literary and Cultural committee and different Subject Societies organise various activities like Defence Training Workshop, Rallies, Health Check Camp, Yoga and Meditation Camp, Poster Making Competition, Slogan Making Competition, Fine Arts Exhibitions and Extension Lectures, etc. on Gender Sensitisation.

Different papers of English, Hindi and Sanskrit are dedicated to the problems faced by women in society, contribution of women in literature, how they are portrayed in literature and role of eminent feminists in gaining equal rights for women. Issues of power and gender and how it affects women are treated in different papers of Sociology. Women Empowerment taught in Home Science deals with status of Indian Women and different trends in Women's movements. Society and Culture of India I, II, III familiarise students with social reforms aimed at the upliftment of women such as banning of sati, widow remarriage, etc. besides focusing on women education and property rights. Business Ethics throws light on issues of gender sensitization, gender equality, gender roles and gender differentiation.

Women empowerment cell of the college is active throughout the year for the gender sensitization.

Aims - Being the third dimension of education, NSS is part and parcel of our academic, social and personal life. It galvanizes the students assiduously for imparting their services for the sake of their community and nation. The Motto of NSS "Not Me But You" accentuates that the well being of an individual is ultimately dependent on the welfare of the society as a whole. Thus, our NSS Units aspire to serve the underprivileged people through education. Our Units also make untiring efforts to promote the unity and integrity of the nation by bringing together young people from diverse geographical and socio-cultural background.

Types of Activities: -

Generally, our NSS units perform two types of activities: Regular Activities (120 hours) and Annual Special Camp (120 hours). The units work for sensitizing young minds to contribute for the welfare of society by organizing various activities throughout the year. It carries out several community outreach programmes. All the NSS volunteers who have served NSS for at least two years and have performed 240 hours of work under NSS are entitled to a certificate from the university under the signature of the Vice Chancellor and the programme coordinator. The Annual camps are known as Special camps and are usually located in a rural village or a city suburb. Our volunteers work for eradication of social evils and illiteracy, for watershed management, wasteland development, agricultural operations, health and hygiene, sanitation and nutrition, mother and child care, for family life education, for gender justice, for development of rural cooperatives and for savings lives. Our programme officers and volunteers actively participate in environmental upgradation programmes, in tree plantation drives, in campus cleanliness projects and in various rallies and awareness campaigns.

National Cadet Corps (NCC)

Session 2023-24

Introduction:

The NCC in India was formed under the National Cadet Corps Act of 1948. National Cadet Corps is a Tri-Services Organization comprising the Army, Navy and Air Force, engaged in grooming the youth – 'The Leaders of Tomorrow' – into disciplined and patriotic citizens. National Cadet Corps (NCC) is a premier youth organization that functions directly under the Ministry of Defence. It functions at National level to train the young boys and girls to be better citizens and future leaders of our country. The motto of NCC is 'Unity and Discipline'. Govt. P.G. College for Women Rohtak has a strong and vibrant NCC programme which strives to develop leadership, build strength of character, comradeship, spirit of sportsmanship. It has enormous potential for nation building. The NCC is open to all regular students of schools and colleges on a voluntary basis. The students have no liability for active military service.

History of the College NCC: Govt. P.G. College for Women, Rohtak, took the initiative and joined the National Cadet Corps in 1959 to prepare its students for serving the nation. GPGCW is a sub unit of 2 HAR GIRLS BN NCC ROHTAK with two units of 107 cadets of Senior Wing. NCC offers 'B' and 'C' certificates for Senior wing (SW) cadets. The NCC unit of our college is very dynamic and enthusiastic.

Vision and Mission: Our NCC wing's vision is to empower volunteer youth to become potential leader and responsible citizen of the country and our mission is to develop leadership and character qualities, mould discipline, nurture social integration and cohesion through multifaceted programmes conducted in a military environment. The NCC provides opportunities to the youth of the country for their all-round development with a sense of Duty, Commitment, Dedication, Discipline and Moral Values so that they become able leaders and useful citizens. Our NCC units provides exposure to the cadets in a wide range of activities with a distinct emphasis on social services, discipline and adventure training and developing students' character by promoting values such as patriotism, service, discipline, hard work, team spirit, leadership, and self- confidence, as well as overall personality development through participation in various camps and activities throughout the year like Institutional Training, Annual Training Camp,

Army Attachment Camp, Republic Day Camp, TSC, Youth Exchange Programme, Community Development Programme cum Social Service Activities, Adventure Training, Cycle Expedition, Trekking & Sports etc.

Training Methodology: Our training methodology basically includes comprehensive training for empowerment of youth to earn the right to lead, module-based training to include character building and competence development, basic military training, social awareness and service. We conduct training in an innovative, interesting, and safe manner with a high degree of visibility in order to inspire youngsters, backed up by suitable training infrastructure and logistics support for cadet.

Institutional Training: Institutional training conducted at Colleges and Schools is the main stay of NCC training and is conducted by Associate NCC Officers and Armed Forces personnel. It includes basic military training to the cadets as part of the curriculum and prepares them to join the Armed Forces. This training is for three years and has 300 periods. In our college, our training lectures are conducted in the evening after the college hours for two days a week. The syllabus comprises common subjects and service subjects in the ratio 70:30. Common subjects are taught by ANO and specialised subjects are taught by Army staff. The purpose of this training is to expose young cadets to a 'regimental way of life' which is essential to inculcate in them the values of discipline, duty, punctuality, orderliness, smartness, respect for the authorities, correct work ethos, and self- confidence.

Annual Training Camp: Annual Training Camp is the practical manifestation of institutional training. It is mandatory for senior wing cadets to attend a minimum of two camps during the period of their enrolment. It is conducted at Battalion level and run by ANOs and Army Personal Staff. In this camp various competitions are conducted like sports, cultural, drill, poster etc. Our cadets participate actively in this camp, and for the last few years, our institution has taken the overall trophy. In this camp our cadets learn practical knowledge of map reading, weapon handling, firing, drill, guard of honour. Our college's cadet team is the best Guard of Honour team of our Battalion.

Republic Day Camp: The Annual Republic Day Camp (RDC) is held at Garrison Parade Ground, Delhi Cantt every year from 01 January to 29 January. It is a national camp and

approximately 2000 cadets are selected every year from all States and Union Territories of India. Recently, one of our cadets was selected for this camp and performed very well. Some of cadets reached up to Pre RDC camp. It is a matter of great pride for a cadet to be selected to represent her state in the Republic Day Camp.

Army Attachment Camp: Cadets derive immense value through attachment to the Armed Forces Units where they experience the functioning of military units and life in armed forces units. 440 officers and 20,000 cadets attend attachment training with regular army units annually. Our cadets also get opportunity every year to be part of this camp and basically this camp is helpful for those who want to be part of armed forces. This camp includes weapon training, Map reading, Tent pitching, Rifle shooting by INSAS and LMG rifles, Ambush Demo, Night Navigation, Point to Point march, drill, First Aid training, Adventurous activities like Slithering, Rappelling, Artificial rock climbing etc and also some competitions like Firing and Sports are also conducted. Our cadets have won such competitions and also have active participation in these various activities.

TSC (Thal Sainik Camp): TSC is a 12 days national camp conducted by NCC in Delhi every year, in which the cadets are selected from all 17 directorates (30+3 cadets from each directorate), by the selection procedure conducting 3 Pre-TSC camps each of 10–12 days a week interval. The cadets from our college are also selected for this camp and performed well. The selected cadets are sent to the TSC to represent their respective directorates. This camp includes various competitions such as Obstacle Training, Firing, Judging Distance, Health and Hygiene, Field Signals, Map Reading, Tent Pitching, and Line Area. The cadets will be able to gain a lot of knowledge, self-confidence and leadership qualities as well. Many games and cultural events have taken place during the camps.

YEP (**Youth Exchange Program**): Youth Exchange Programme is an exchange programme of cadets from one country to other NCC/ equivalent Govt/ youth organizations of friendly countries. The cadets participate in NCC activities of the host country to create an increased awareness and appreciation of each other's socio-economic and cultural realities. NCC has a vibrant YEP with ten countries.

Community Development Programme cum Social Service Activities: Social Service activities are structured to inspire and encourage the cadets to participate voluntarily towards improvement of their physical and social environment and channelize their energies in the task ofnation building. Our college organises social service activities every year in the campus and outside the campus. Every cadet participates voluntarily in these activities and even help in organising these events. Swachh Bharat Abhiyan, Tree Plantation, Anti-Drug Rally, Save Environment, Stop Pollution, Blood Donation, Beti Bachao Beti Padhao, AIDS Awareness, Care for the Blind, Care for orphanages and old people in Old Age Homes, Traffic Control, Covid Pandemic Relief etc. are some of the activities that our college organizes. The objectives of Social Service are to teach the cadets the dignity of labour and to create in them an interest in constructive work which will be of use to the community, to set an example of selfless service and team work, to give a lead in organized work, with a view to utilise the maximum possible extent the available unused time, energy and other resources of our people and direct them in various fields of social and economic activity.

Adventure Based Learning: Adventure is the life blood of youth. Adventure training in the NCC provides knowledge to cadets of the topography as well as experience of different weather conditions and adventurous living under camp conditions. The whole aim is to inculcate a spirit of adventure, explorative inquisitiveness, develop stamina, endurance, discipline, courage, determination, comradeship, leadership leading to development of self-confidence, team spirit and spirit-de-corps amongst NCC cadets. NCC cadets are given the opportunity to participate in a host of adventure activities including Mountain Treks and Expeditions, Trekking, Parasailing, Sailing, Scuba Diving, Kayaking, Camel safari, Cycle Expedition etc. Our cadets have participated in trekking and cycling expeditions.

Sports: Our few cadets have participated in national level Shooting Championship (All India GV Mavlankar Shooting Competition), 'Firing' being one of the important training activities of NCC and 'Shooting' having special place in NCC sports activities.Our NCC cadets have been performing well in the event for the last many years.

- Outlined the importance of getting involved in placement cell events, youth festivals, and NCC, NSS, and Youth Red Cross units across colleges.
- Each member of the mentor-mentee committee encouraged the mentees' participation in all collegiate activities.
- Students were advised to utilised the college library to its fullest potential. Reading books and participating in mock interviews were recommended.
- All committee members worked fervently and enthusiastically to achieve their assigned tasks under the invaluable direction of **Principal Mrs. Darshana**.

REPORT OF MENTOR-MENTEE GROUPS

(2023-24)

A mentor is a person who plays a key role in a mentor-mentee relationship by providing time, focus, perspectives, and suggestions to a mentee in a setting where they have the assistance and resources, they need to nurture their societal, technological, and intellectual assets. There are separate tracks for science, arts, and commerce at our college. First year (all streams) and Second and Third year (all streams) classes made up the entirety of the UG (all faculties), PG, and Honours classes. Mentor groups met every first and third Saturday from 1 to 1:40 p.m.

All of the mentors in each class played the part of an active role in achieving objectives. For the mentees' overall growth, the mentor-mentee committee organized a variety of activities. They become more sensitive to social issues such as women's education, the dowry system, child labour, and awareness of human rights. Cultural events like Ras Manjari were organised in the college campus.

'Clean and Green campus' makes a sense of pride for every students and teacher. Each Mentor worked at their own level to maintain a clean college environment and to set good example to their students.

- Mentor encourages Mentees to use Dustbins for throwing garbage.
- Mentor encourages Mentees to reduce the amount of trash used, Plastic bottle, Poly-packs in daily life practices.
- Mentor encourages Mentees to adopt the habit of carrying a prefilled steel water bottle always with them.

A number of Volunteers from each stream (Arts, Science & Commerce) NSS students and NCC cadets participate in Cleanliness drive under "Swacctha Hi Seva Abhiyan' on 2 October,2023. **Problems related** to water and cleanliness were forwarded to institutional Head for further necessary action.

They were also made aware of the importance for ecological sanitation and the preservation of the natural beauty of their surrounds and the college campus. These sessions also cover the crucial role of soft skills and linguistic proficiency. The Campus Mentoring Programme seeks to offer a complete support structure to engage and inspire students to pursue their academic and professional ambitions.
