

Morni Hills, Chandigarh Tour

(7-8 Nov 2025)

A two-day educational and recreational tour of Morni Hills, Chandigarh, was **organized by the Women's Cell** of Government Post Graduate College for Women, Rohtak, from November 7 to 8, 2025. 48 students enthusiastically participated in this trip.

Principal Dr. Shamsher Singh Hooda encouraged the students to learn through such programs and excursions. The purpose of the visit was to familiarize the students with the natural environment and increase awareness about it. The students enjoyed trekking, sightseeing, and the natural beauty of Morni Hills. They also visited major nearby sites in and around Chandigarh.

The trip was recreational and informative, providing the students with new energy and experiences. Professors **Dr. Neeraj Kadian**, **Dr. Radha Rathi**, **Dr. Suman**, and **Dr. Renu** accompanied the students on the tour.
